BC. V0E 2A0

RELOCATION BENEFITS:

- **Improved Accessibility:** Easily accessible to community members, especially TRU students.
- **Enhanced Community Services:** Expanded services including educational, outreach and social programs for the entire Kamloops community.
- **Emergency Support and Relief Efforts:** Better supports emergency events and relief efforts.
- **Strengthened Collaborations:** Enhances partnerships with other organizations, fostering interfaith and community collaboration.
- **Attracting and Retaining Professionals:** Helps retain and attract healthcare workers, educators and other professionals contributing to community development.
- **Supporting Student Community:** More attractive to domestic and international Muslim students.
- **Promoting Diversity and Inclusion:** Represents inclusive approach, embracing Kamloops' diverse population.
- **Supporting local economy:** Establishment of new businesses and Kamloops becomes travellers' choice for stopovers between Lower Mainland and Alberta

WHY SUPPORT AYESHA MOSQUE RELOCATION?
